IMPORTANT SUPPLIER UPDATE INFORMATION

Dear Filshie Clip System User:

Femcare, a subsidiary of Utah Medical Products, Inc., is well known throughout the world for developing and manufacturing the highly specialized Filshie Clip System. You are receiving this letter as your facility currently purchases the Filshie Clip System through Femcare's previous U.S. distributor, CooperSurgical, Inc.

Effective 1 February 2019, Utah Medical Products, Inc. will be distributing its Filshie Clip System directly to your hospital. The new contact information is as follows:

Utah Medical Products, Inc.	Phone:	1-800-533-4984
7043 South 300 West	Fax:	1-801-566-2062
Midvale, UT 84047	E-Mail:	customer@utahmed.com
USA	Web:	www.utahmed.com

Your facility orders one or more of the following items:

Filshie Clips:	AVM-851 and AVM-851J
Filshie Clip Applicators:	AVM-856, AVM-863, AVM-880, and AVM-857
Sterishot II Kits:	AVM-951 and AVM-951M

Please ensure that your procurement database is updated for ordering the above Filshie Clip System devices directly from Utah Medical Products, Inc. We look forward to responding to all your correspondence and other inquiries regarding the Filshie Clip System beginning 1 February 2019.

Please let us know if you have any questions about this change.

Sincerely,

Kevin L. Cornwell
CEO
